

MOVE on UP™

with a career in tourism.

October's Career Profile: Lift Operations Supervisor

There's no such thing as an average day's work for Dale Logan. As Mount Washington Alpine Resort's Lift Operations Supervisor, Dale's company car is a skidoo. His clientele are the thousands of annual visitors to the popular Vancouver Island destination. His staff is a young, dedicated team of lift operators and ticket checkers who take their snow sports very seriously. [More...](#)
