Go2HR Auditor Profile

2019

Years of Auditing Experience: 15 **Years of Other Contracting:** 30

Types of Services Offered: COR Auditing, Safety Consulting, Gap Analysis Audits, Health and Safety Management Systems program building, Worker and Supervisor Training.

During my career, I have had the opportunity to take training and work in the tourism industry as a chef at an Okanagan winery. I was the executive chef for weddings that took place at the winery and provided lunch service to bus tours and local companies. After the winery position, I started a catering business and provided lunch and dinner services to private businesses in the Vernon, BC area. I am a certified FoodSafe holder, and have Serving it Right and Serving it Right Licensee certificates.

My safety consulting and auditing experience spans many industries, including:

- **Forestry:** CANFOR, Interfor, Downie Timber and Selkirk Reman, Halo Sawmill, Delta Cedar, Peace Valley OSB, Tolko Industries, Molehill Mountain Ventures, D. Lind Contracting, Western Canadian Timber Products, Belanger Loading, Keefers Enterprises, Roga-Rehn, Lakeside Pacific, RJ Shunter, SHAS Resources, Madden Group, Tiger Reforestation, Jaeden Resources
- **Tourism:** Best Service Pros, Chilliwack General Hospital, Sodexo Canada, Fernie Alpine Resort, Kimberley Alpine Resort, Heritage Park Historic Village, Glendale Golf and Country Club
- **Miscellaneous Industries:** Kal Tire, Atlas Sign and Awning, Royal Building Products (now North American Pipe), Delcor Painting and Flooring, Speedy Glass, Merlin Plastics

Choose Safety - For Yourself - For Your Co-workers - For your Family
