

# HEALTH & SAFETY ADVISORY SERVICES FOR TOURISM & HOSPITALITY

Health & safety is an essential part of any thriving tourism and hospitality business – no matter how big or small. Set up a FREE consultation with go2HR's team of health & safety advisors to gain valuable insights and suggestions on a range of health & safety topics, including: bullying and harassment, mental health, first aid, and training and development opportunities.

## BENEFITS OF A STRONG HEALTH AND SAFETY PROGRAM

Establishing an effective Occupational Health & Safety (OHS) Management System helps to prevent workplace incidents and injuries, or deal with any that occur. It can also reduce your insurance premiums, boost employee loyalty and retention, and elevate your business's reputation.

## HOW go2HR CAN HELP

Whatever your health & safety goals, our safety advisors are available to connect with you one-on-one and offer recommendations and resources tailored to your business. Together, you will be able to assess your current health & safety offerings, create or improve your existing OHS program, and find answers to all of your health & safety questions.

This service is **FREE** for tourism and hospitality businesses in BC!
