

Your SECOR Journey in

6 Simple Steps

Get certified with expert support every step of the way!

1

Register for the SECOR program
Take the exciting first step towards building a safer, healthier workplace - **registration is free** with no binding commitments or timeframes.

4

Assess your program
Use our **SECOR Self-Analysis guide** to review your current OHS system and see where you are on your COR journey. **Remember, we're here to support you every step of the way.**

2

Consult with a COR Specialist
Chat with our team to discuss your organization's needs and next steps.

5

Equip your team
Have your champion complete go2HR's **Internal Auditor Training** - key to conducting your future audits and keeping safety on track year-round.

3

Identify a Safety Champion
After registering for the program, appoint a dedicated workplace lead to **drive your SECOR journey forward.**

6

Organize your Certification Audit
Submit a Notice of Audit Activity, complete your audit, and send your package for Quality Assurance. **Get ready for your certification.**

Celebrate a safer workplace, rebates, and a stronger, happier team!
